

# ZEE MAIL

## Zeospheres® Ceramics, LLC

129 Valentine Drive, Lockport, Louisiana 70374

January 2<sup>nd</sup>, 2014

## Applications Information

### *Marine Coatings*

Several large marine coatings manufacturers are using Zeospheres G/N-400 in their topcoats and primers. Proven benefits include:

- Chemical and Corrosion Resistance (August 2011 ZeeMail\*)
- Abrasion Resistance
- Durability
- Lower Viscosity
- Reduced Film Permeability
- Flexibility
- Lowering Resin Demand (cost reduction in October 2011 ZeeMail\*)
