Recognition of 2011 Sales Awards

On May 9th in Indianapolis Indiana at the American Coatings Show, Zeeospheres Ceramics, LLC held a distributor wide meeting. We had representatives from four of our five global distributors present (Big thank you to everyone who attended!). Mike Jackson of Specialty Coatings Services gave a thorough presentation of his findings from the various tests he has been doing for Zeeospheres Ceramics, LLC. At the conclusion of the meeting, we proceeded to give out two awards recognizing outstanding sales in 2011. We would like to use this ZeeMail to recognize those recipients for their achievements!
